“Supporting Underrepresented Mountain Mentors & Instructors' Training”

The **School for International Expedition Training (SIET)** is dedicated to building a more inclusive outdoor industry. Our **SUMMIT Fund** helps break down financial barriers for individuals from historically underrepresented communities seeking essential safety and leadership certifications.

Apply for **\$100 to \$1,000** in funding to cover course tuition for critical training like the:

- **AMGA Single Pitch Instructor (SPI) Course/Exam:** The gold standard for professional rock climbing instruction.
- **Avalanche Level 1 (Avy L1) Education:** Gain essential knowledge for safer winter backcountry decision-making.
- **Other trainings will be considered on a case by case basis.**

If you identify with an underrepresented group (BIPOC, LGBTQ2S+, Adaptive, etc.), we urge you to apply and help strengthen the diversity of mountain professionals.
